(1) Players will be placed at the most appropriate level commensurate with their Age, Weight & Experience

(2) Age determination is as of July 31st except Bandit level age determination is as of Aug 31st.

(3) The Striper Rule allows younger-heavier players to participate while providing protection for lighter players. Stripers must play between the tackles (offense or defense.) No more than 2 stripers on the field of play at one time. At no time may a striper advance the football. Stripers may not participate in National competition if they exceed regulation weight.
